

DUCK CREEK FIREWORKS JULY 4TH, 2026

Dear Friends of the Fireworks:

We are excited to announce the 86th Duck Creek Fireworks will take place on July 4th, 2026. We will also be celebrating the 250th anniversary of the United States of America. We are raising additional money to enhance this year's 250th celebration. I have seen some of the new firework displays that will be a part of this year's show. They are spectacular and my lips are sealed as to what you are going to see. We will make history! This year's show will include a 4th of July Aerobatic Air Show over Duck Creek in the afternoon. In addition, we are planning for a sundown F-16 flyover by the U. S. Air Force prior to the four states' largest and brightest Fireworks Show.

The **SPARK PLUG DINNER** is Friday, June 26th, at the Cherokee Yacht Club. Social hour begins at 6:30 pm with a traditional War Bird flyover, dinner at 7:00 pm. Auction and special fireworks show after dinner. This year's Spark Plug Dinner is an elite group that has donated \$1,000 or more to the Fireworks fund and receives a private invitation for two to attend the dinner. The evening consists of hors d'oeuvres, drinks, & dinner; this is all compliments of Joe Harwood and Tom McKibben as a thank you for making the **DUCK CREEK FIREWORKS** possible. The dinner is not charged to the fireworks fund. This year the complete budget is \$200,000.00. All expenses have increased dramatically this year.

This year we are partnering with the Tunnel to Towers organization and will be donating 10% of the gross funds raised to them. They are the organization that donates mortgage free homes to disabled first responders and veterans. A worthy cause for DCFW to help support.

Make sure you check the Duck Creek Fireworks website www.duckcreekfireworksok.com and The Duck Creek Sun for new information and complete details.

Small or Large, ALL donations make a difference, and...**Without your support, we know there would be no Duck Creek Fireworks, THANK YOU!**

If you would like to make a donation or a reservation for the Spark Plug dinner, please call or email [Leta Reed](mailto:leta.reed@arrowheadok.com) at 918-637-9946 or leta.reed@arrowheadok.com
